Product Description

Power Supply 110V-240V T5 Projector with Andriod 9.0 Version

Product Description:

T5 Projector is a high-end, home portable projector that offers an exceptional viewing experience. It has an aspect ratio of 16:9, a native resolution of 1920x1080, and a brightness of 300 ANSI lumens. This HD mini projector offers an ultra-clear and crisp display, thanks to its excellent color accuracy and high contrast ratio. With a noise level of $\leq 32\text{dB}$, it ensures a peaceful viewing environment. At 230X200X85mm, it is small enough to fit into any room, making it ideal for home use. With its superior performance and portability, the T5 Projector is the perfect choice for anyone who wants to enjoy HD movies, sports, or video games at home.
